### 75. SUBJECT'S STATEMENT REGARDING THE USE OF FORCE

☐ DNA☐ REFUSED☐ UNABLE TO INTERVIEW (Specify Reason)

R/Lt interviewed the arrestee in the 022nd lockup bullpen at 0125 hours. After advising the arrestee of his Miranda Rights, and the nature of R/Lt's investigation, R/Lt asked the arrestee if he wanted to make any statements regarding his arrest. The arrestee acknowledged his Miranda Rights, and stated the following, which is recorded in summary and not verbatim.

The arrestee stated that he was walking to a liquor store when a car pulled up next to him on [REDACTED] and a female friend if his got out and started "grabbing and scratching on him." A police car pulled up right behind the female's car and two officers got out. He was then trying to make a phone call when the officers handcuffed him and put him in the squad car. The arrestee stated that he still wanted to make a phone call so he jumped out of the car and tried to get past the officers, at which time they "Tased" him. He was then put back in the car and taken to the hospital and then into the police station. R/Lt asked the arrestee if he any further information to add, and he stated that he did not.

R/Lt asked the arrestee if he had any injuries, and he stated that his back hurt where the taser probes had stuck, and he had scratches on his face from the female friend. R/Lt observed the scratches to his face which appeared minor, and observed that the taser entry points had been bandaged. R/Lt did not observe any other injuries to arrestee. The arrestee confirmed that he had been treated at [REDACTED] already and did not need further treatment. An Evidence Technician was requested to photograph the arrestee's injuries.
